CLASS DESCRIPTION

Design and create your own cityscape or skyline...detect common visual elements, highlight details, create building blocks, stack them into your own cityscape and put it all together using improvisational piecing techniques. Add character to your city by experimenting with different surface design techniques. Recommended size of work is 36" or less on each side.

SUPPLY LIST

- **Tool/Supply List**

Rotary cutter, mat and quilter's ruler,
Sewing machine and accessories for straight sewing,
Free motion quilting foot (optional),
Seam ripper, pins and scissors,
Extension cord,
Masking tape,
Notebook and pencil.

- **Fabrics**

Miscellaneous fabrics for buildings, windows and doors. Fat quarters are great. Make sure your fabric grouping includes a range of values from light to dark.

Background fabric (for sky, roads, water, trees, etc.)

Batting to transport your design (at least 36"x36")

- **Threads**

Neutral thread for piecing,
Coordinating threads for quilting and surface design, including monofilament (I use Madera, clear and smoke)

- **Inspiration:**

Pictures, sketches, drawings of cities that inspire you.

- **A small camera is very helpful but not required.** Phone camera works great.
